Student Lunches

School lunches have undergone a healthy makeover under the Healthy Hunger Free Kids Act of 2010. Students are offered a serving of meat/meat alternate, grains, fruits, vegetables and fat free white or flavored milk. Students are required to take at least one serving of fruit or vegetable at lunch. Meals are controlled for calories, sodium, total fat, saturated fat and no trans-fats by three age categories of K-5, 6-8 and 9-12. Meal choices will differ between age groups.
