## Meeting the Health Care Needs of Our Community

### **What is Valley View Health Center at the Manchester School Campus?**

*It is a health center that is located between the Manchester Elementary School and the Manchester High School.*

*Valley View Health Center at the Manchester School Campus provides health care services to students, school personnel, their families, and the community.*

*The center is staffed with a Family Nurse Practitioner and two Licensed Practical Nurses.*

*The center is operated as a partnership between Manchester Local Schools and Valley View Health Centers .*

### **What is the advantage of the Health Center?**

*Students can be treated quickly for acute illnesses, such as flu, and chronic conditions, including asthma and diabetes. They can also be screened for dental vision and hearing problems.*

*Valley View Health Center provides emphasis on prevention, early intervention and risk reduction. Students are also counseled on health habits and how to prevent injury and promote school safety.*

### **Does the Health Center only treat students?**

*In addition to providing health services to students, school personnel, and their families, Valley View Health Center also provides services to the general public.*

### **Do I need an appointment?**

*Yes, appointments are recommended and most days may allow for same-day appointments.*

## Other Information

### **What is the cost?**

*Cost is comparable to a doctor's office visit. Patients will be treated regardless of ability to pay. We also have a sliding-fee scale based on household income.*

### **What about my patient information?**

*Valley View Health Center at Manchester is like any other physician's office. A patient chart will be maintained for all patients. As required for all health care facilities, patient records are strictly confidential and will not be shared without the patient's/parent's written permission.*

### **Will you bill my insurance?**

*Yes, and we accept most major insurance, as well as Medicare, Medicaid, and Medicaid Managed Care Plans. Patients/Parents will be billed for appropriate co-pays.*

### **Can my child get age-appropriate immunizations?**

*Yes, all necessary vaccines will be provided on-site as needed.*

### **Can I receive care if I don't live in Manchester?**

*Yes, patients are welcome no matter where you live.*

### **Can I get my medicine or fill a prescription at the Health Center?**

*No, medications are not stored or distributed at the Valley View Health Center. However, if needed, the Family Nurse Practitioner can write a prescription that can be filled at a local pharmacy.*
