

Ohio School Report Cards

Manchester High School

School Grade

Districts and schools report information for the Ohio School Report Cards on specific marks of performance, called measures, within broad categories called components. They receive grades for up to ten measures and six components.

Achievement

The Achievement Component represents whether student performance on state tests met established thresholds and how well students performed on tests overall. A new indicator measures chronic absenteeism.

Performance Index

64.4%

Indicators Met

28.6%

Component Grade

Progress

The Progress component looks closely at the growth that all students are making based on their past performances.
