

Ohio School Report Cards

District Grade

Manchester Local

Districts and schools report information for the Ohio School Report Cards on specific marks of performance, called measures, within broad categories called components. They receive grades for up to ten measures and six components.

Achievement

The Achievement Component represents whether student performance on state tests met established thresholds and how well students performed on tests overall. A new indicator measures chronic absenteeism.

Performance Index

70.2%

Indicators Met

8.3%

Component Grade

Progress

The Progress component looks closely at the growth that all students are making based on their past performances.

Gap Closing

The Gap Closing component shows how well schools are meeting the performance expectations for our most vulnerable students in English language arts, math, graduation and English language proficiency.

Annual Measurable Objectives

81.7%

Component Grade

B

Graduation Rate

The Graduation Rate component looks at the percent of students who are successfully finishing high school with a diploma in four or five years.

Graduation Rates

98.5% of students graduated in 4 years

94.9% of students graduated in 5 years
