## Prom Information

This year the theme for the 2021 prom is "Night Time in the City." Mrs. Gidget Applegate will

be setting decorations up on the stage a week before prom. We haven't got to do many fundraisers this year due to COVID. Prom tickets have now raised to \$65 and will keep going up by \$5 the longer you wait. If you are bringing a guest from another school, there are

permission forms for that in the high school library. This year, the prom will be located at The Ville Guesthouse. There will be a DJ, Josh Kraiger. Finger foods will be served along with a special wonderment!

On the prom's morning, students will be voting for two juniors that will be awarded prince and princess and two seniors as king and queen. On Thursday, April

22nd, Manchester High School will be hosting a Prom Promise to help prevent drunk-driving accidents on Prom Night across the country. We will have a grand march at the Manchester High School at 5:00 pm the day of prom. Dining and dancing will follow at 7:00 pm at The Ville; 350 State Route 247 Manchester, Ohio 45144. For more information, contact prom coordinator, Mrs. Applegate. MHS Library ext. 3113.

## MHS Sports

### JV Girls BB

The JV Girls Basketball team consists of 9th graders Shawna Bryant, Zoey Fuchs, Jenna Campbell, and Jaela Horner, and 10th graders Ashleigh Dunn, Maggie Roberts, Harley Rideout and Jayden Breeze. They are led by coach Tad Mitchell. The girls' last games are coming up soon and it would be a shame not to go and cheer them on! An interview with Zoey Fuchs said their favorite memory of the 2020/21 basketball season was "defiantly the lockerroom. The older girls told many stories from past years. Us younger girls told stories about out past years of basketball also. All of us together as a team had many laughs in that lockroom. Whether we were having a bad day, a good day, or if we just got done running a 6 in 72, we always laughed together at the end of the day..."

### Varsity Boys BB

The Varsity Boys' Basketball team has eleven players and the team includes two seniors - Kyle Reeves and Cade Colvin. There are also eight juniors - Isaiah Scott, Daulton Mcdonald, Logan Bell, Brayden Young, Ryland Wikoff, Denton White, Lucas Ballinger, and Zander White and there is one sophomore - Aaron Lucas. Greg Scott will be coaching the Greyhounds once again this year. They lost their tournament game against Waterford and Isiah Scott was named all league.

Kayla Palmer

## Varsity Girls BB

The varsity girls' basketball team consists of Emily Sweeney, Yasmin Lucas, Gabby Brown, Brooke Kennedy, Karigan Turner, Sophia Paul, Hannah, Hobbs, and Kileigh Mitchell. They are coached by John Kennedy. These girls have had a rough season so far due to Corona Virus. Most of their games have either been postponed or even completely canceled. They seem to have fallen behind compared to other schools in the county who have had multiple games. The girls are hungry for this season and can't wait to make the best out of it.

Emily Sweeney

## JV Boys BB

The JV boys basketball team ended their season with a record of 5-12. They didn't have a tournament but their last game was against Peebles. Karson Reeves, number 42, said his favorite memory of this season was when he hit his first 3 against Fayetteville. What Karson is going to miss most about this season is being on the team with his brother, Kyle. One thing Karson gained from this season was intelligence about basketball. Karson's favorite play was motion, because it was easy to remember. If he could change one thing about this season it would be to not have been quarantined so much. Next season Karson plans to achieve his goals in getting the most points in a game.

Emma Farley

## Junior High Girls BB

The 8th grade girl's basketball team consists of Jaylise Applegate, Olivia Blythe, Madison Dunn, Jacey Farley, Chloe Freeman, Taylor Rideout, Riley Young and Raegan Wikoff. The 7th grade team consists of Izzy Baily, Mahayla brown, Kaitlyn Creamer, Raquel Hackney, Abby Neria, Abrah Nichols, Ella Richards and Kenidee Turner. Both teams are coached by Victoria Roehling. Victoria's most rewarding part about being a coach is "Connecting with the girls and seeing them enjoy something they love. Watching them grow and progress throughout the year(s)". Like many other schools, the girls have battled with COVID in different ways. Being quarantined because a member on the team has COVID or due to a classmate, there were not many practices where all the girls were together. The 7th grade girls ended the year with a 6-4 record and the 8th grade with a 5-7 record.

Logan Bell

## Junior High Boys BB

The 7th Grade consists of 11 players Parker Hayslip, Luke Applegate, Landon Doyle, Elijah Crabtree, Max Hanson, Traven Hilderbrand, Austin Jones, Aidan Jones, Joel Blythe, Ryan Butcher Raines and Braylan Rickett. They were coached by Alan Crabtree. They're record was 4-7. They played Peebles in the tournament, but unfortunately lost to the Indians.

The 8th grade Braylan Roberts, Maliki Bayless, Ronnie Elam, Chase Armstrong, Jace Cummings, Brayden Cummings, and Leland Horner. They were coached by Mackenzie Smith. The 8th grade boy's record was 5-10. They lost to North Adams in the tournament. Due to COVID, the boys had a hard time keeping up with their season because of games getting cancelled or boys being quarantined. The boys also said it was difficult to stay in shape too since they had less practices and games.
